## PRAYERS FOR THE WEEK:

Tom Robinson's brother Quinn, an ER doctor in Texas, tested positive for the Coronavirus and has been admitted to the hospital where he works. His wife Sharon is a nurse at the same hospital and is awaiting her Covid-19 test results. Our students of all ages, teachers, and administrators as the school year ends, summer break begins, and open questions linger about the new school year. Racial justice and healing in our nation & world: wisdom, peace, action & change. The Coronavirus and its global affects: patients and those at high risk, lives lost and those grieving loved ones, and disruptions it has caused in all areas of life. Friends of the Mason family suffering with cancer: Steve, Tim, and Cathy. Ping Ku, former member living in Taiwan, has a serious resurgence of cancer. She is receiving radiation and chemo, and suffering from its effects too. Qin Wang is undergoing intense chemotherapy and other treatments. Phyllis Horsley, her health, dental work, and pending eye surgery.

## ANNOUNCEMENTS:

*Congratulations:* **Lynette Daniel** retires after 25 years as a special education teacher. She was eligible for retirement in January, yet chose to finish the school year with her students so they wouldn't have to transition to a new teacher mid-way through their year. Her last day was June 26. Enjoy retirement Lynette - your weekends just got longer!!!

*Worship through Giving:* Your offerings are very important for the church family and our ministries while we continue "safer-at-home" distancing. Giving options: our website, online and by text, e-banking, or mail a check to church.
