Blue Skies and Rainbows

```
D              A
Blue Skies and Rainbows
    D
And sunbeams from Heaven.

Are what I can see

When my Lord is living in me.
```

[chorus]

```
             G         A         D
I know that Jesus is well and alive today,
   G          A           D
He makes his home in my heart.
     G           A      D           G
Nevermore will I be all alone since he
         A                       D
Promised me that we never would part.
```

[verse 2]

```
D               A
Tall mountains, Green valleys

The beauty that surrounds me.
D           A
All make me aware,

Of the One who made it all.
